PIN CLAMP ORIENTATIONS

WHEN ORDERING PLEASE SPECIFY:

1. Clamp Part Number, Chart On Page 7910
2. Quantity

CLAMPS

Clamps are available in three styles. See chart for specific die set component application. All slip fit demountable guide pins or bushings are supplied with clamps and screws.

CLAMP LOCATION SYSTEMS

Three pin and bushing clamp location systems are available for Superior die sets. The LR, FB and R systems allow for various material feeding directions and should be considered when ordering any die set. Special pin and bushing clamp configurations are available as an option.
